General Notes

1. Fair presentation of the risk

You must make a fair presentation of the risk to us at inception, renewal and variation of your policy. This means that we must be told about all facts and circumstances which may be material to the risks covered by the policy and that you must not make a misrepresentation to us about any material facts. As part of your duty of fair presentation, you must ensure that the information detailed within the schedule is correct and complete. A material fact is one which would influence the acceptance or assessment of the risk. If you have any doubt about facts considered material, it is in your interests to disclose them to us.

Failure to make a fair presentation of the risk could result in the policy either being avoided, written on different terms or a higher premium being charged, depending on the circumstances surrounding the failure to present the risk fairly.

This policy is compliant with the principles of the Insurance Act 2015 law reforms. It also incorporates an 'opt out' which has the aim to promote good customer outcomes. We have opted-out of the 'proportionate reduction of claim remedy' available to insurers under the Insurance Act 2015. This means that in cases of non-disclosure or misrepresentation which are neither deliberate nor reckless, if we would have charged an additional premium had we known the relevant facts, we will charge that premium and pay any claims in full rather than reducing claims payments in proportion to the amount of premium that would have been charged.

We believe that our 'additional premium approach' should, in most situations, be more favourable to our customers when compared to the proportionate reduction of claim remedy. Our additional premium approach does not affect our right to apply the other remedies available under the Act for non-disclosure or misrepresentation.

2. Cancellation

All insurance policies run for a fixed period of time. The Insured can terminate an insurance contract verbally or in writing at any time by calling 0800 917 9531 or emailing Customers.team@uk.zurich.com. Zurich may cancel the policy by giving 30 days' notice in writing. In such an event the insured will be entitled to a return of premium in respect of the unexpired portion of the period of insurance.

If you cancel your policy before the start date, you will be entitled to a full refund of premium. If you cancel within 14 days of the start date, you will be entitled to a full refund of premium, providing no claim has been made. After 14 days, if no claim has been made, we may offer a full or partial refund, depending on the time the policy was on risk and the circumstances at the time of the cancellation request. Please note, a cancellation charge of £50 may be applied.

3. Bonus and fee structure

Employees and businesses who work for ZIP UK are remunerated in various different ways for selling insurance contracts. Employees receive a basic salary and also receive a bonus based on a number of factors, including the achievement of sales and quality targets. Businesses which work for the insurer on an outsourced basis receive a fee and also additional payments based on a number of factors, including the achievement of sales and quality targets.
