6. **To consider formal approach for S106 money for Sustainable Transport**
7. **To consider representation at Planning Committee Meeting for retrospective planning applications to change rooftiles at Duffryn Close**
8. **Next meeting**

Supporting Documentation:

Memorial Paving

It is proposed to pave around the Memorial with dark grey limestone pavers 600x300mm and edged to keep them in place.

To the front will be two small raised planters built from stone with limestone coping that can be covered with decorative aggregate and/or planted with evergreens or seasonal plants.

Coping example:

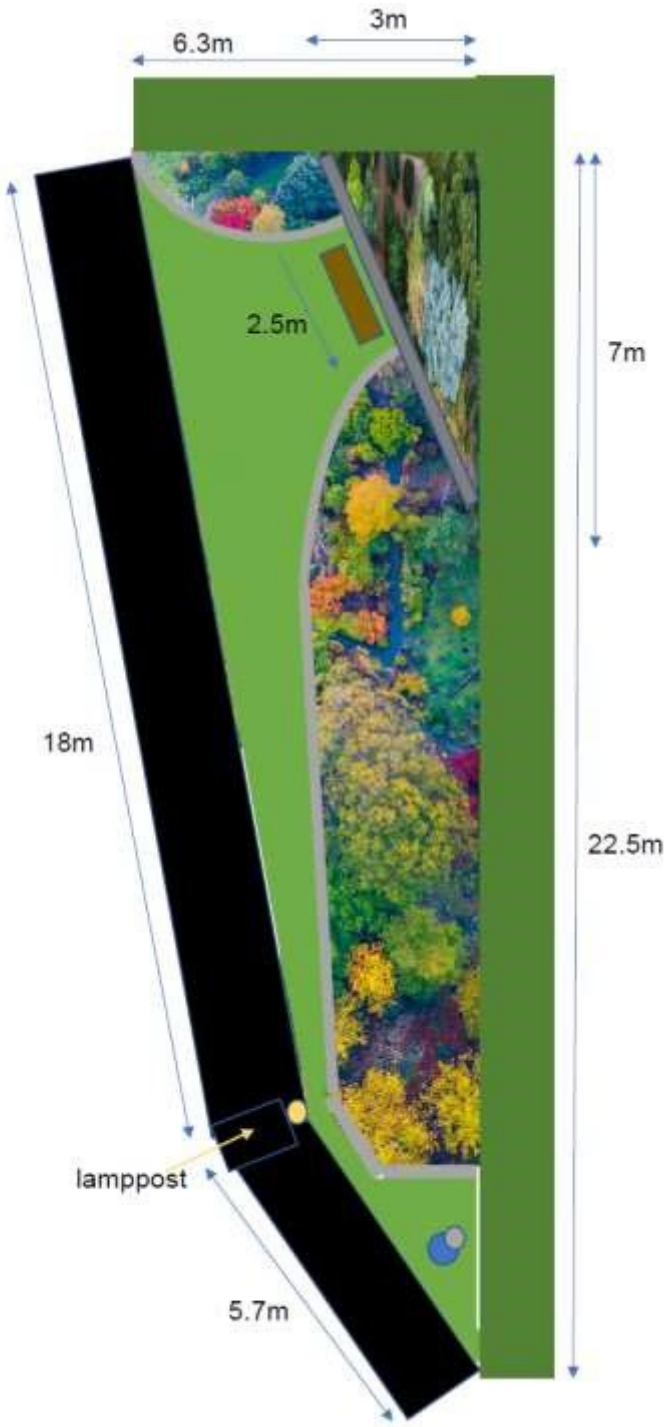

Basalt Road Kerb Stones

The kerb will be dropped to allow access to the Memorial and Green and the paving around the Memorial will be dropped so that the whole of the first step is visible again.

Walling for planted area at Duffryn Lane

S106 money for Sustainable Transport

Examples of projects – dropped kerbs – picnic table – bus shelter
