

Budget Amendment

At the Extraordinary Meeting of November 18, 2021, the Community Council resolved to increase the budget for protecting the Village Green at Maes y Ffynnon, Bonvilston, from development, to £4,000 from the Community Councils reserves.

£1,000 had been ringfenced in April 1, 2019, for the purpose of paying any legal expenses incurred in opposing the Vale of Glamorgan Council's proposal to build on the Village Green at Maes y Ffynnon. This initial sum was made available at the Extraordinary Meeting of August 31, 2021.
