

Social Media and Electronic Communication Policy

The use of digital and social media and electronic communication enables the Council to interact in a way that improves the communications both within the Council and between the Council and the people, businesses and agencies it works with and serves.

The Council has a website, Facebook page and uses email to communicate. The Council will always try to use the most effective channel for its communications.

The St Nicholas with Bonvilston Community Council Facebook page is intended to provide information and updates regarding the activities of the Council.

Communications from the Council will meet the following criteria:

- Be civil, tasteful and relevant to the direct work of the Council;
- Not contain content that is knowingly unlawful, libellous, harassing, defamatory, abusive, threatening, harmful, obscene, profane, sexually oriented or racially offensive;
- Not contain content knowingly copied from elsewhere, for which we do not own the copyright;
- Not contain any personal information.
- It will be moderated by the Chair/Vice Chair of the Council and/or the Clerk to the Council;
- Social media will not be used for the dissemination of any political, or third-party advertising.

In order to ensure that all discussions on the Council Facebook page are productive, respectful and consistent with the Council's aims and objectives, we ask you to follow these guidelines:

- Be considerate and respectful of others. Vulgarity, threats or abuse of language will not be tolerated.
- Differing opinions and discussion of diverse ideas are encouraged, but personal attacks on anyone, including the Council members or staff, will not be permitted.
- Share freely and be generous with official Council posts, but be aware of copyright laws; be accurate and give credit where credit is due.

- Stay on topic.
- Refrain from using the Council's Facebook page for commercial purposes or to advertise market or sell products.

The site is not monitored 24/7 and we will not always be able to reply individually to all messages or comments received. However, we will endeavour to ensure that any emerging themes or helpful suggestions are passed to the relevant people or authorities. Please do not include personal/private information in your social media posts to us.

Sending a message/post via Facebook will not be considered as contacting the Council for official purposes and we will not be obliged to monitor or respond to requests for information through these channels. Instead, please make direct contact with the council's Clerk and/or members of the council by emailing.

We retain the right to remove comments or content that includes:

- Obscene or racist content
- Personal attacks, insults, or threatening language
- Potentially libellous statements.
- Plagiarised material; any material in violation of any laws, including copyright
- Private, personal information published without consent
- Information or links unrelated to the content of the forum
- Commercial promotions or spam
- Alleges a breach of a Council's policy or the law

The Council's response to any communication received not meeting the above criteria will be to either ignore, inform the sender of our policy or send a brief response as appropriate. This will be at the Council's discretion based on the message received, given our limited resources available. Any information posted on the Facebook page not in line with the above criteria will be removed as quickly as practically possible.

Council Website.

Our website will provide easy access to meeting dates, agenda's minutes, policies, duties and essential information on the workings of the Community Council. We may direct those contacting us to our website to see the required information.

Council email

The Clerk to the council has the council email address (Clerk@StNicholasBonvilston-cc.Wales).

Please be aware that our Clerk works part-time hours and that there may be a delay in responses and forwarding of email to this address. An 'out of office' message should be used when appropriate.

The Clerk is responsible for dealing with email received and passing on any relevant mail to members or external agencies for information and/or action. All new Emails requiring data to be passed on, will be followed up with a Data consent form for completion before action is taken with that correspondence.

Individual Councillors are at liberty to communicate directly with residents in relation to their own personal views, if appropriate, copy to the Clerk. NB any emails copied to the Clerk become official and will be subject to The Freedom of Information Act. These procedures will ensure that a complete and proper record of all correspondence is kept.

Do not forward personal information on to other people or groups outside of the Council, this includes names, addresses, email, IP addresses and cookie identifiers.

Members and the Clerk may use SMS as a convenient way to communicate at times. All are reminded that this policy also applies to such messages.

Video Conferencing e.g. Zoom

If this medium is used to communicate please note that this policy also applies to the use of video conferencing.

Councillors are expected to abide by the Code of Conduct and the Data Protection Act in all their work on behalf of the Council

As more and more information becomes available at the press of a button, it is vital that all information is treated sensitively and securely. Councillors are expected to maintain an awareness of the confidentiality of information that they have access to and not to share confidential information with anyone. Failure to properly observe confidentiality may be seen as a breach of the Council's Code of Conduct and will be dealt with through its prescribed procedures (at the extreme it may also involve a criminal investigation).

Members should also be careful only to cc essential recipients on emails i.e. to avoid use of the 'Reply to All' option if at all possible, but of course copying in all who need to know and ensuring that email trails have been removed.
